

Ministries We Support

Abba's Ambassadors has one requirement of all ministries that we support, the overall goal of that organization must be to spread the message of Abba's love. We believe that God uses many different means to reach His lost children, and as such we work to not limit the types of ministries that we will support.

Here are some examples of areas of ministry we currently support:

- Ministries in various countries throughout the world
- Children's ministries
- Prison ministries
- Battered women/children ministries
- Parenting ministries
- Poverty-stricken areas of the world
- Individual families
- Established foundations
- Short-term mission trips

How We Provide Support

Abba's Ambassadors provides various levels of support to meet various levels of needs to the ministries we work with. It is our goal to make sure that we provide support in ways that all those called by God to serve in the mission field are able to focus on His will for their lives and not worry about finances, resources or feelings of abandonment.

Here are some examples of ways we currently support ministries:

- Funding
- Prayer
- Gifts of encouragement
- Investing
- Collecting on behalf of others and wiring such funds
- Maintaining tax exempt status, thus providing charitable deductions for those giving financial gifts
- Inform others about special needs from those serving (i.e. airline tickets, medical emergencies, etc.)

Ways You Can Serve

Abba's Ambassadors believes that this foundation works most effectively when many believers come together and use the gifts that God has given them. We guarantee that 100% of all donations go to the various ministries we support. All expenses are paid by investment income or from the Board of Directors. As such, we rely on others to help as much as possible.

Here are areas that you can help:

- Prayer
- Donations
- Gifts of encouragement
- Volunteering time by assistance with day-to-day operations of Abba's Ambassadors
- Short-term mission trips to assist those serving
- Present to Abba's Ambassadors other ministries in need of support
- Share with others about Abba's Ambassadors
